	the money. Unskilled workers, who amounted to about 80 percent of the PWs, earned so little that nothing was left over when they had paid for their keep.	
	Food Prices	
6.	Below is given a list of prices charged at the PWs canteen:	
	1 kg of very poor quality black bread 60 gr white bread 1 kg butter 20 kg margarine 30 kg margarine 30 kg margarine 30 containable) 60 containable	
	Approximately the same prices were charged in the works canteen.	
	Security Measures	
7.	The factory is surrounded by a high wall with barbed wire at the top. There are watchtowers outside the factory premises. Guards consist of MVD and civilians. Passes are checked by guards at the entrances.	50X1-HUM
